

# 5th Grade Elementary Band Program

---

- **Created to build district-wide music programs.**
- **Helps create a smooth transition into middle school music.**
- **Students have continued into high school.**

*Every week there are thousands of people who find great comfort by singing in a choir, or playing in a band, or playing in an orchestra. This plays a vital role in their health and wellbeing, their social life, and their creative and emotional nourishment. Music is so important.*
