YUMA, AZ - This year marks the 31st year that Yuma School District One has received the Government Finance Officers Association of the United States and Canada's (GFOA) Certificate of Achievement for Excellence in Financial Reporting. This was awarded for the district's annual comprehensive financial report for the fiscal year ending June 30, 2022.

Judged by an impartial panel, District One's financial report met the high standards of the program, including demonstrating full disclosure in financial reporting. The district received this recognition for having met or exceeded the program's standards for financial reporting and accountability. District One Superintendent, James Sheldahl, stated, "The dedication, expertise, and contributions of our Finance Department have set them apart. This award stands as a testament to their commitment and serves as a reminder of how seriously we take our responsibility to be great stewards of public money."
