

K-5 General Music

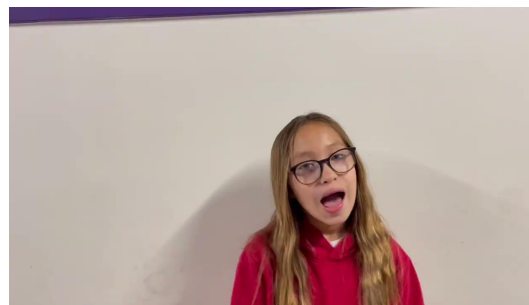

Our students learn to **play instruments, sing and dance**, and while doing so, focus on these values:

Music and movement are completely integrated. You can't do music without movement and you can't do movement without music!

Respect
Concentration
Self-Discipline
Responsibility
Sensitivity
Following Directions
Teamwork
Choice-making

Listening skills
Engagement
Independence
Sensory input
Turn taking
Fine motor skill development
Gross motor skill development
Basic concept learning

And much more!

K-5 General Music cont.

In a District One General Music classroom, Kinder-5th graders are . . .

- Working together and learning all about music.
- Exploring our voices and singing both in unison and 2 parts.
- Using our new knowledge to lead our peers in practice.
- Learning about different pitches and making fun melodies together.
- Discovering different instruments and their sounds.
- Learning to play the Ukulele, Recorder and Bucket Drums!
- Making musical sound effects through games like Rumble Ball!
- And much more!
